

City of Decorah Property Committee meeting minutes
Thursday, June 8, 2017 – 5:00pm

The City of Decorah Property Committee met on Thursday, June 8, 2017 at 5:00pm. Chair Steve Luse called the meeting to order and the following answered roll: Gary Rustad, Andy Carlson. Absent; Randy Schissel.

Others in attendance included Chuck Lore. City manager Chad Bird was also present.

Agenda

1. Discussion and direction on proposed large aircraft hangar for airport

Bird provided an overview of the hangar project at the airport. He provided preliminary information on financing and a proposed timeline for the project.

Luse asked if Gundersen was still interested in a long-term lease. Bird indicated they are. There was general discussion regarding the basic building / hangar specifications.

The committee expressed support for the project and directed Bird to bring items to the council for approval as necessary.

2. Other business

In other business, Luse asked Bird were things stood with the school district. Bird noted he had not heard any additional information or date for a proposed meeting with the district. There was general discussion regarding possible sites for the school and discussion on the report that Aase Haugen had offered land to the district.

There was no other business and the meeting adjourned at 6:05pm.
Respectfully submitted,
