City Code Planting Set Back Requirements

(Decorah City Code 12.40)

IOWA ONE CALL

(1-800-292-8989)

City Code Adjoining Property Owners Required Maintenance

(Decorah City Code 12.40)

- Obtain a permit from the City Forester before removing or treating a tree on the right-of-way.
- Trim trees to a minimum clearance of 8' over sidewalks and 14' over streets.
- Avoid planting trees and shrubs within 25' of an intersection, 4' of an alley, or 6' of a driveway.
- Plant trees at least 40' apart on right-of-way.
- Maintain the health of trees so they do not constitute a hazard to other trees, vehicles, pedestrians, or property.
