

**City of Decorah Council Work Session  
Monday, November 26, 2018 – 5:15pm**

The City of Decorah City Council met in a work session on Monday, November 26, 2018 at 5:15pm. Mayor Borowski called the meeting to order.

Randy Schissel, Dan Bellrichard, Andy Carlson, Steve Luse, Johanna Bergan, Ross Hadley, and Kirk Johnson were present.

Others in attendance: City Manager Chad Bird. Local resident Jeremy Bril was also present as part of the visioning committee.

**Agenda**

Iowa's Living Roadways Community Visioning

- a. *Decorah Community Visioning committee will present their project short presentation on the project process, which will be followed by review, questions and answers pertaining to the design boards.*

*Jeremy Bril presented an overview of the community visioning process to the council. He noted several key issues the committee focused on over the summer.*

*The team looked at community signage and re-branding of signs and wayfaring in the downtown area.*

*The team reviewed trails and cross-walks in the community and identified several areas that could be improved.*

*A key element of the trails and cross-walk conversation included overall pedestrian safety issues.*

*A special segment the group reviewed is the Dry Run Channel area and looked at concepts to create a water trail along the corridor, especially in the downtown area.*

*College Drive received a lot of special attention and focus, and the team presented some unique concepts to redesign the College Drive corridor.*

General discussion on Locust Road Improvement Project

*This item was tabled due to the time and hour of the evening.*

There was no other business and the meeting adjourned at 6:25pm.

Respectfully submitted,
