Purpose

The purpose of the Sustainability Commission shall be to advise the City Council and recommend action on policies and practices that relate to the sustainable use and management of our collective resources, including both human and environmental, as well as our economic resources. The Sustainability Commission will help to ensure that such resources will be sustained and continue to provide for a high quality of life for present and future generations of Decorah doing so by following the processes outlined in the Decorah Sustainability Plan and updating the plan accordingly every 5 years.
