Weekly Joint Planning Team Vaccine update:

**SPECIAL REQUEST FROM THE PLANNING TEAM** – If you have already received a COVID-19 vaccination and are still on a local provider vaccination waiting list, please contact the local provider you registered with and have your name removed from that list. This small act could potentially help other Winneshiek County residents receive the COVID-19 vaccination. Thank you in advance.

**Beginning April 5<sup>th</sup>, all local providers will be following the CDC and IDPH guidelines by providing the COVID-19 vaccine to anyone 18 years or older (Moderna).**

The Planning Team partners want to remind all that the vaccine supply remains limited with only 300 doses being received in Winneshiek County weekly and this is currently shared by three partners (100 doses each).

Please see below on how to contact your local healthcare providers for making a vaccination appointment.
