Agenda

Chair Johnson, and the full council

1. Meet with Hinson Consulting, City Manager Search Consulting Team to discuss search process

Brent Hinson introduced himself and gave a background of the search team – himself, Pat Callaghan and Mark Jackson.

He reviewed the search process explaining the steps involved and how they implement the process together to bring the City optimal choices for our new city manager.

He explained target hire date to be mid-September. The process can be shortened if the council chooses to forego virtual interviews. He advised against that saying those interviews give a lot of insight into candidates.

Council consensus to follow their recommendation in order to get the best candidate possible. Start date is subject to selected candidate requirements for notice to current employer. Start date could possibly be earlier.

Interviews with council/staff will be held Friday, April 5.

Meeting adjourned 5:30.
