

## Decorah Tree Board

### Notes from the May 6, 2021 meeting

Scott Timm, Drew Pellett, and Peter van der Linden met with City Forester Sam Hogenson via Zoom from 5:38 to 6:10pm. Lacking a quorum, no business was transacted.

Hogenson reported on plans for the May 8 tree planting. He has selected planting sites and called for utilities to be located. Staff from the City Street Department will assist him in digging planting holes and delivering trees on Friday, May 7. Hogenson has listed the planting sites in a spreadsheet that he will update and circulate to participating members of the Tree Board via email on May 7.

Planting assignments are as follows:

Faldet: 2 trees on Mechanic Street and 1 tree on Jefferson Street

Guilgot: 1 tree of Oak Street and 1 tree on Franklin Street

Hall: 3 trees on Decorah Avenue

Pellett: 5 trees on Mound Street

Timm: 2 trees on 5th Avenue and 2 trees on Iowa Avenue

van der Linden: 4 trees on Center Street

Water and mulch will be available. Hogenson will need assistance in applying these on May 8 after the trees are planted.

Peter van der Linden, Secretary
