FALL LEAF PICK-UP GUIDELINES & SCHEDULE

- Leaves may be put into the street 48-hours prior to your scheduled pick-up day. Those in violation of the 48-hours may be fined.
- Leaves must be in the street before 7:00 AM on your scheduled pick-up day.
- Please rake your leaves into windrows on street 2-feet away from the curb line.
- Vehicles should not be parked within 30-feet of windrows.
- Leaves will not be picked up if they are in bags or containers.
- This pick up is for LEAVES ONLY. Sticks, twigs, brush, or garden debris must be taken to the Yard Waste Site on Trout Run Road.

PLEASE REMEMBER - City crews do their best to stay as close to the published schedule as possible. Equipment may work ahead when possible, but work will take place in areas as shown on the map on scheduled days. Likewise, equipment breakdowns or heavy rains can slow progress and snowstorms late in the season can curtail the program altogether. Residents on a strict time schedule are encouraged to utilize the City's Yard Waste Site located on Trout Run Road. The Yard Waste Site is currently open from sun up to sun down.
