The work session of the Decorah City Council was called to order at 6:00 p.m.

Present: Randy Schissel, Ross Hadley, Steve Luse, Emily Neal, Kirk Johnson, Steve Zittergruen

Absent: Andy Carlson

Michelle Barness and Aaron Detter of Upper Exporeland Regional Planning Commission led the Council and Staff through a goal setting session to set goals for the next two years. Barness explained the process and timeline to the group. The Council and Staff split out into smaller groups to narrow down what they thought are the most important goals to concentrate on. The entire group then came back together as a large group and went over the results. The Council then voted on what they felt were the most important goals. Barness and Detter then went through the results. Michelle Barness will formally compile the information and forward that on to the City Manager.

Meeting Adjourned at 9:30 pm
