

City of Decorah Council Work Session

Monday, March 28, 2022, 5:15 pm

The City of Decorah Council Work Session was held at the City Council Chambers. Mayor Borowski called the meeting to order and the following answered roll call: Ross Hadley, Steve Luse, Steven Zittergruen, Emily Neal, Kirsten Olson, Randy Schissel, and Kirk Johnson.

Others in attendance: City Manager Travis Goedken, City Clerk Keri Sand, and multiple department heads.

The City Manager started the meeting with doing a recap of where the Council was in the process of reviewing the Sustainability Plan and then he identified what sections needed to be reviewed yet to finish the process. The Council then started going through the Land Use, Clean Air and Water sections of the plan. The Council went over each goal and determined if the goal had been met or not or if the goal was ongoing. Once goals were identified that needed to be completed, the Council pinpointed goals that were the most important that the Sustainability Commission should concentrate on. The council also discussed ideas on how to encourage sustainable practices that could be used throughout Decorah.

Meeting adjourned at 7:10 pm

Keri Sand
City Clerk-Finance Officer
